

## Short Curriculum Vitae

### **R. J. S. (Bob) Beeton**

School of Integrative Systems, University of Queensland.

Updated 24/11/09

#### **Honours and Awards**

- 1988 Australian Bi-Centennial Award
- 1994 Excellence in Teaching Award, University of Queensland
- 2000 Affirmative Action Commendation, University of Queensland
- 2000 Fellow Environmental Institute of Australia and New Zealand (FEIANZ)
- 2009 Member of the Order of Australia (AM)

#### **University service**

- Acting Head of Department Management Studies (1991-1993)
- Deputy Head of Department responsible for strategic direction and staffing (1993-1996)
- Head of Department Natural and Rural Systems Management 1997
- Foundation Head of School Natural and Rural Systems Management 1998 to 2002 (56 staff and 110 Scholars)
- Numerous University committees including Academic Board, Faculty executive committees and foundation chair of Faculty teaching , learning and quality committee; University teaching and learning committee

#### **Recent external service includes:**

- **1997 to 1999 Member**, Environment Protection Council (Queensland);
- **1997 to 1998 Member**, Steering Committee for Visions for the New Millennium (NSW National Parks and Wildlife Service);
- **1999 Chair**, Implementation Advisory Panel for the Visions project reporting direct to Minister (NSW National Parks and Wildlife Service);
- **2000 Chair**, Local Government Association of Queensland inquiry into the funding and management of National Parks in Queensland;
- **2000 Member**, Agricultural Production Systems Research Unit Future Steering Committee;
- **1999 to 2002 Member**, State of the Environment Advisory Committee, Commonwealth;
- **1999 to 2002 Member**, Natural Heritage Trust Regional Assessment Panel, Western Queensland;
- **2000 to 2001 Member**, Queensland Parks and Wildlife Service master planning advisory committee;
- **1999 to 2001 Member**, Queensland Government Ministerial Regional Forum for South East Queensland;
- **2000 to 2002 Member**, Board of Agricultural Production Systems Research Unit,
- **1998 to 2002 Member**, Board of Rural Extension Centre;
- **1999- 2004 Joint Interim Director**, Centre for Rural and Regional Innovation;
- **2004-2008 Chair**, Australian State of Environment 2006 Committee, Commonwealth;
- **2004- 2007 Participating Observer** National NHT Advisory Council,
- **2004- 2008 Participating Observer** on the National Land and Water Audit Advisory Council;
- **2001- 2006 Deputy Chair**, Atherton Tablelands Sustainable Regions Advisory Committee;
- **2005 –2008 Member**, National Research Priorities Standing Committee;
- **2007- 2009 Member** National NHT Advisory Council,
- **2007- 2008 Deputy Chair** Marine and Tropical Science Research Facility Advisory Committee
- **2000- current Chair**, Australian Threatened Species Scientific Committee, Commonwealth;
- **2009- current Member** Commonwealth Environmental Research Facility Advisory Committee
- **1988- current Member**, IUCN World Parks Commissions;
- **1978- 2002**, IUCN Education and Communications Commission.

## Short Courses Delivered (36)

### (a) Conservation Agencies

- Site Planning, Q.NPWS (District Rangers)
- Communications, Q.NPWS (District Rangers)
- Regional Operations, Q.NPWS (District Rangers and Regional Staff)
- District Management, Q.NPWS (District Rangers)
- Operational Project Planning, Q.NPWS (District Rangers)(2X)
- Operational Project Planning, NSW.NPWS (District Rangers and Senior Staff) (5X)
- Operational Project Implementation, NSW.NPWS (5X)
- Enforcement Procedures, BFP
- Wildlife Management Q.NPWS
- Strategic Planning NSW NPWS

### (b) Other Organisations

- Products, Customers and Service (3x)
- Environmental Problem Solving (6x)
- Rural Community Development (6x)
- Problem Solving South Africa (ARC and DoD)

## Consultancies Conducted

<b>1984-88</b>	Consultant to Director, Queensland National Parks and Wildlife Service on staff training
<b>1986-87</b>	Consultant to Director, Queensland National Parks and Wildlife Service on coordinating a study of the tourism/conservation relationship
<b>1986-99</b>	Adviser to O'Reilly's Guest House on development of visitor facilities. (Including the canopy walk for which I received an Australian Bicentennial award.)
<b>1986-90-</b>	Designing and proving a visitor research system for Quicksilver Connections, Port Douglas (Qld).
<b>1987-88</b>	Consultant to Queensland Premier's Department on International Conservation Agencies.
<b>1988</b>	Consultant to Raging Thunder Pty. Ltd. on training of staff (Cairns Qld.)
<b>1988</b>	Consultant to Bonville Beach Development Consortium on Recreation Master Plan. (Coffs Harbour NSW)
<b>1989</b>	Consultant to Government of Malaysia on Marine Training Program. This consultancy was in conjunction with James Cook University. The product was a complete marine protected area training package, subsequently developed by UNEP for worldwide distribution.
<b>1991</b>	IUCN Consultancy to organise and chair workshop on training for 4th World Congress on National Parks and Protected Areas.
<b>1993</b>	IUCN Development of World Training Database
<b>1994</b>	Queensland Department of Tourism Development ESD component of Queensland Tourism Strategy
<b>1998</b>	Review of the Daintree Rescue Package for Wet Tropics Ministerial Council. Commissioned by Minister for Environment and Heritage (C of A)
<b>2000</b>	Design of operating system for Threatened Species Scientific Committee (Minister for Environment and Heritage)
<b>2000</b>	Current Lockyer Valley Interpretative Centre
<b>2001</b>	Future strategies for Queensland Rural Butchers
<b>2000</b>	Current Strategic advice to City to Soil and NuWater
<b>2002</b>	Action Plan for ATSRAC (Atherton Tablelands Qld)
<b>2002</b>	Prospectus for ATSTAC (Atherton Tablelands Qld)
<b>2002</b>	Future Search Chinchilla Shire
<b>2003</b>	Chinchilla Shire Tourism Plan
<b>2003</b>	Dalby 2013 Prospectus
<b>2003/4</b>	Gatton Shire Environmental Management Plan
<b>2004</b>	Creating Community Futures East Gippsland
<b>2004</b>	Dalby Innovation Project
<b>2004</b>	Community Attitudes survey and Capacity Plan (Atherton Tablelands Qld)

<b>2005</b>	Review of mulga vegetation management code Qld. DNRM
<b>2006/8</b>	Future positioning for environment service industry Gatton Shire
<b>2009</b>	Chair Expert Working Group Review of Biodiversity decline on Christmas Island Indian Ocean

**Current interests are:**

- Environmental restoration,
- Environmental problem solving
- Environmental reporting
- Total Landscape Management
- Sustainable tourism,
- Sustainability issues associated with both natural and rural systems and
- Rural and Regional Community Development.

**Research Grants since 1992**

- \$1,700,000

**Recent Post Graduate Supervision: Research Dissertation Authors and Titles**
