Jobs, Contracts and Tenders in the NZ Conservation Sector

## New Zealand Conservation Jobs

[www.conjobs.co.nz](http://www.conjobs.co.nz)

This new website provides those interested in the sectors of conservation, environment, pest control, conservation education, ecotourism, recreation and historic management with information on the latest job vacancies and contract opportunities. Updated weekly, the site draws together opportunities from the Department of Conservation, Regional Councils, Crown Research Institutes, pest management companies, the private sector along with exciting overseas opportunities.

A free weekly email listing of current job vacancies is also available.

We also provide listings of conservation-oriented conferences and workshops.
